COMMISSION

(2) Date of original appointment. (3) Date upon which appointment expires. (4) In which practical experience of land was acquired. (7) Where educated. owner or tenant. (11) What other experience in agriculture. (12) What Parliamentary Paper No. 237 of Session 1906.)

Amount of land owned or leased.	Whether held as owner or tenant.	What other Experience in Agriculture.	What Experience in Valuing, Mapping, and Surveying.
1000 acres of his own, managed 2,500 acres for others.	Tenant.	Practical experience extending over a period of 15 years of taking sheep farms, grasses, and woods valued, of the value and management of different classes of land, and the general conditions under which farming is carried on in the West and South of Ireland.	Practical knowledge of mapping and surveying and many years' experience in taking valuations.
24 at time of appointment.	—	Managed farms, valued land &c.	See particulars in column 5.
200	Tenant.	Valuing for companies, banks, &c.	Extensive experience in valuing and surveying in the South of Ireland.
400 at time of appointment.	Owner and Tenant.	Almost lifetime.	Private valuing for landlords and tenants.
About 680 acres, also grazing rights in some other about 1,000 acres of woodland.	300 acres as owner, sub-let to tenant, 150 acres as tenant, 100 acres as owner.	Been engaged all his life in farming, both pasture and tillage, cattle and sheep. Is well acquainted with all aspects of the business. Also has experience in sheep-farming on a large scale, having had 2,000 sheep under his management at one time. Is well up in the value of all stock, and in the buying and selling same.	Has been employed as valuer for several railways, land, crops and stock, with a view to some subject in making compensation claims for railway damage. Has also a general knowledge of mapping and surveying, having made a study of same in 1901, and having since renewed the subject in 1905-06.
40	Owner.	Employed by Board of Works, private valuing, and on Land Commission.	As a Civil Engineer. Graduated as Engineer in Trinity College, Dublin, and is a member of Institute of Civil Engineers, Ireland.
220	Owner and Tenant.	As Local Government Board Inspector under Lichfield Acts.	As manager of his own property, and Local Government Board Inspector.
About 200	Tenant.	Farming for and for about 5 years, farming for several years, and managing 1,400 acres for County of Cork in a single estate.	Practical experience carrying out sales, &c.
400	Owner and tenant.	—	Private valuer.
1,000	Tenant.	Experience in different branches.	Practical experience.
About 600 acres for 50 years prior to appointment, now nearly 900 to 1,000 acres.	Chiefly as tenant.	—	General mapping and surveying of school, and afterwards, at his intervals becoming a civil engineer, to which profession he has been engaged. Acquired his title, Mr. E. Douglas, Esq., but a considerable time, who was valued by the Court of Chancery.
200	482 acres as owner, sub-let to an agent to Irish Land Commission.	Was born and up the North Farm, Co. Wick, of about 100 Irish acres.	Was taught mapping and surveying at the Agricultural College, Dublin. Graduated, and has since had lessons from a qualified Civil Engineer in practical surveying and valuing.
200	landlord and Manager.	None previous to 1898.	Surveying for and from 1898 to 1903 as Assistant Land Commissioner.
About 250	265 acres as tenant, 90 acres as owner.	Experience has been altogether acquired in the management of his own farms.	Has valued in Co. Tipperary and given evidence before the Land Commission. Studied mapping for some time under a civil engineer. Undertakes practical surveying and taking notes of Ordnance maps with scale and comparison.
65	Tenant.	Farming all his life.	As surveyor and valuer, privately, and for County Courts.
400	Tenant.	County Court Valuer for Wexford, Wicklow, Carlow, and Kilkenny, from 1890 to death of late then County Court Judge, subsequently County Court Valuer for Wexford, Kilkenny, Carlow, and Queen's County. Reported on the Commission and Ordnance Survey for Districts in Co. Wicklow, and Kilkenny. Acted as surveyor and valuer for Board of Works, War Office, and various companies, a large of technical and other papers relating to agriculture.	Visited course of lectures in Engineering School of Trinity College, Dublin. See also particulars in previous column.
